

## EDUCATIONAL PROGRAM

For Pets' Sake Educational Program focuses on students pre-school thru grade 5. We are currently in the development stage and looking for volunteers and sponsors that would like to be a part of this amazing opportunity to teach children about the wonderful benefits and responsibilities of having a pet.

## VOLUNTEERS

It's because of the dedication of our volunteers that For Pets' Sake is able to make a difference in the lives of families and their pets in NWA.

If you are interested in volunteering for For Pets' Sake, contact us to discuss how you can help make a difference!

## DONATIONS

For Pets' Sake relies on donations and volunteer-supported fundraisers. All activities are managed by volunteers, with no paid staff. If you are interested in making a donation, please visit our website. Donations may be made through PayPal or sent directly to For Pets' Sake.

- ♥ Assist with pet transportation for veterinary and grooming visits
- ♥ Provide short-term pet sitting for hospitalized senior or special needs pet owners

## SENIORS FOR SENIORS

## PETS FOR VETS

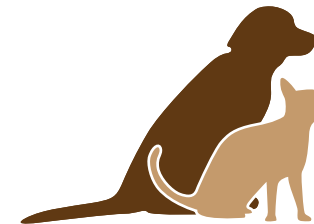

For Pets' Sake has created a program which partners eligible veterans with companion animals at no cost. Veterans may apply through the Veteran's Administration in Fayetteville to be considered for this program.

## ADOPTIONS & FOSTER HOMES

For Pets' Sake foster homes offer a unique experience for pets and prospective forever families. The pets that are offered for adoption live with foster families. This allows the pets to experience socialization with children and other pets. When you adopt a companion from For Pets' Sake you can expect to get a profile of your pet's likes and dislikes. We take special care in matching our foster pets to their forever homes. While in foster homes, For Pets' Sake provides food and medical care for the foster pets. Pets are microchipped and vaccinated before being adopted and many are already potty trained!

If you would like more information on becoming a foster home or adopting a companion, please go to our website for more information.
